HF1: HoseFit 5pc Nozzle Set

Set contains: 1x adjustable nozzle, 1x female connector, 1x female water stop connector & 1x 1/2" to 3/4" tap adaptor & reducer.

Produced from PP & ABS Plastic.

20 pcs per inner carton, 100 pcs per outer carton.

1,900 pcs per pallet.

HF2-NEW: HoseFit Carded Female Quick Fix Connector

Designed to connect a 13mm (1/2") diameter hose to a male tap adaptor.

Features hose guard, castle grip hose clamp & 3 holding clips.

PP & ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

3,600 pcs per pallet.

Designed to connect a 13mm (1/2") diameter hose to a male tap adaptor.

Features castle grip hose clamp & 3 holding clips.

Produced from PP & ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

6,000 pcs per pallet.

HF2: HoseFit Female Quick Fix Connector

Designed with internal valve to stop water flow when a spray gun is disconnected.

Features castle grip hose clamp, 3 holding clips & water stop.

For use with 12.5mm (1/2") diameter hose.

Produced from PP & ABS Plastic.

20 pcs per inner carton, 200 pcs per outer carton.

3,600 pcs per pallet.

HF3: HoseFit Female Quick Fix Water Stop Connector

HF3-NEW: HoseFit Carded Female Quick Fix Water Stop Connector

Designed with internal valve to stop water flow when a spray gun is disconnected.

Features hose guard, castle grip hose clamp, 3 holding clips & water stop.

For use with 13mm (1/2") diameter hose.

PP & ABS Plastic.

20 pcs per inner carton, 200 pcs per outer carton.

3,600 pcs per pallet.

Designed to join hosepipes together.

Features castle grip hose clamps.
For use with a 12.5mm (1/2") diameter hose.

Produced from PP & ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

6,800 pcs per pallet.

HF4: HoseFit Standard Hose Repairer / Joiner

HF5: HoseFit 1/2" - 3/4" Threaded Tap Adaptor & Reducer

Designed to fit 2 sizes of threaded tap.

Features 2 threaded adaptors, universal male connector, rubber washers & 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

6,000 pcs per pallet.

Designed to water your garden.

Features an adjustable nozzle, universal male connector & rubber 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

4,800 pcs per pallet.

HF6: HoseFit Quick Fix Adjustable Nozzle

HF7: HoseFit Quick Fix Double Male Connector

Designed to connect 2 lengths of hose with the use of female connectors.

Features 2 universal male connectors & 2 rubber 'o' rings.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

8,000 pcs per pallet.

HF9: HoseFit Universal Quick Fix Tap Connector

Designed to connect a hose to a variety of round, square, & mixer taps.

Features universal male connector, 2 tap adaptor washers & rubber 'o' ring.

Produced from ABS Plastic making these able to withstand extreme weather conditions.

20 pcs per inner carton, 100 pcs per outer carton.

2,500 pcs per pallet.

Designed to connect a hose directly to a variety of round, square, & mixer taps.

Features castle grip hose clamp & 2 tap adaptor washers.

For use with a 13mm (1/2") diameter hose.

Produced from PP & ABS Plastic.

20 pcs per inner carton, 100 pcs per outer carton.

2,500 pcs per pallet.

HF8: HoseFit Universal Tap Connector

WATERING: BULK

All bulk items are compatible
with other leading brands.

HFGC0537: Bulk Standard Hose To Tap

Designed to connect a 13mm (1/2") diameter hose directly to a round tap without thread.

Features castle grip hose clamp & jubilee clip.

Produced from ABS Plastic & steel making this fitting robust & able to withstand extreme weather conditions.

50 pcs per inner carton, 200 pcs per outer carton.

7,000 pcs per pallet.

Designed to connect to a round tap without thread.

Features jubilee clip, universal male connector & rubber 'o' ring.

Produced from ABS Plastic & steel making these robust & able to withstand extreme weather conditions.

50 pcs per inner carton, 200 pcs per outer carton.

7,000 pcs per pallet.

HFGC0540: Bulk Quick Fix Hose To Tap

HFK11: Bulk Quick Fix Adjustable Nozzle

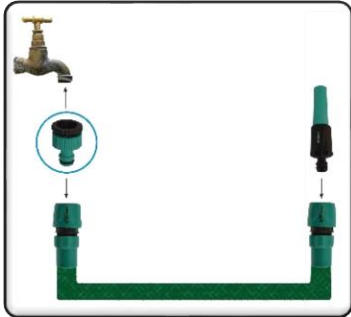

Designed to water your garden.

Features an adjustable nozzle, universal male connector & rubber 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

50 pcs per inner carton, 400 pcs per outer carton.

11,200 pcs per pallet.

Designed to fit 2 sizes of threaded tap.

Features 2 threaded adaptors, universal male connector, rubber washers & 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

100 pcs per inner carton, 1,000 pcs per outer carton.

30,000 pcs per pallet.

HFK1412: Bulk 1/2 inch - 3/4 inch Threaded Tap Adaptor & Reducer

HFK312: Bulk Female Quick Fix Water Stop Connector

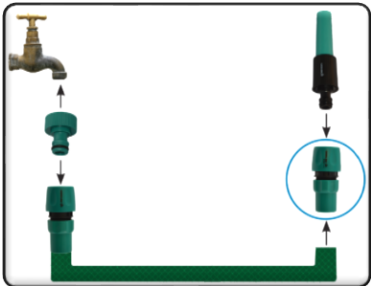

Designed with an internal valve to stop water flow when an accessory is disconnected, saving you an extra trip back to the tap.

Produced from PP & ABS Plastic making these robust & able to withstand extreme weather conditions.

Compatible with Ø 13mm – 1/2" hose.

50 pcs per inner carton, 500 pcs per outer carton.

11,000 pcs per pallet.

Designed with an internal valve to stop water flow when an accessory is disconnected.

For use with Ø 13mm (1/2") hose.

Features hose guard & castle grip hose clamp.

Produced from PP & ABS making these robust.

Compatible with other leading brands.

50 pcs per inner carton, 500 pcs per outer carton.

10,000 pcs per pallet.

HFK312-NEW: Bulk Female Quick Fix Water Stop Connector

HFK412: Bulk Female Quick Fix Connector

Designed to connect a 13mm (1/2") diameter hose to a male tap adaptor.

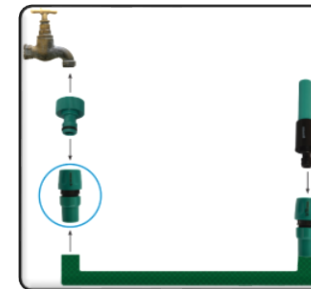

Features hose guard, castle grip hose clamp & 3 holding clips.

Produced from PP & ABS Plastic making these withstand extreme weather conditions.

Compatible with other leading brands.

50 pcs per inner carton, 500 pcs per outer carton.

11,000 pcs per pallet.

HFK412-NEW: Bulk Female Quick Fix Connector

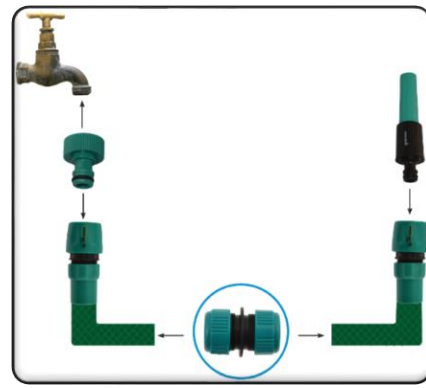

Designed to connect a 13mm (1/2") diameter hose to a male tap adaptor.

Features hose guard, castle grip hose clamp.

Produced from PP & ABS Plastic making these withstand extreme weather conditions.

50 pcs per inner carton, 500 pcs per outer carton.

10,000 pcs per pallet.

HFK634: Bulk 3/4" Threaded Tap Adaptor

Designed to fit a 3/4" threaded tap.

Features universal male connector, rubber washer & 'o' ring.

Produced from ABS Plastic making these fittings robust & withstand extreme weather conditions.

100 pcs per inner carton, 1,000 pcs per outer carton.

40,000 pcs per pallet.

Designed to join hosepipes together.

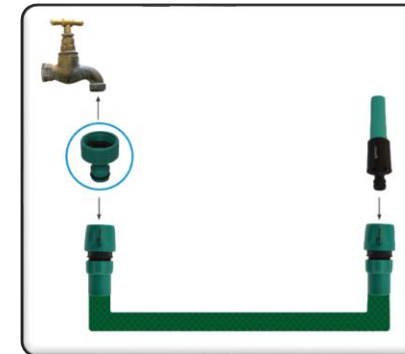

Features castle grip hose clamps. For use with a 13mm (1/2") diameter hose.

Produced from PP & ABS Plastic making these fittings robust & withstand extreme weather conditions.

50 pcs per inner carton, 500 pcs per outer carton.

23,000 pcs per pallet.

HFK512: Bulk Standard Hose Repairer / Joiner

HFK6CA: Bulk In-Line Tap Adaptor

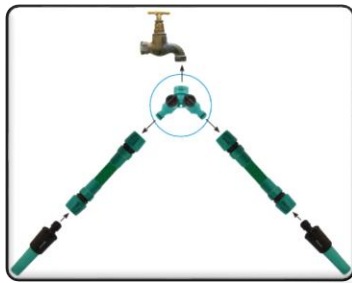

Designed to add on/off switch at any point, without revisiting the tap.

Male adaptors connect via quick fix connectors.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

50 pcs per inner carton, 500 pcs per outer carton.

23,000 pcs per pallet.

Designed for 2 hoses to connect to 1 tap.

Male adaptors connect via quick fix connectors.

2 valves control water flow through each pipe.

Made from ABS Plastic making them robust & able to withstand extreme weather conditions.

Compatible with other brands.

50 pcs per inner carton, 300 pcs per outer carton.

7,200 pcs per pallet.

HFK6D: Bulk Quick Fix Dual Tap Connector

HFK7: Bulk Quick Fix Tool Adaptor

Designed to convert female ended products into male ended connections.

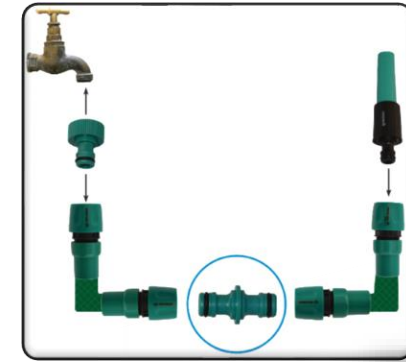

Features a universal male connector & rubber 'o' ring.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

100 pcs per inner carton, 1000 pcs per outer carton.

52,000 pcs per pallet.

Designed to connect 2 lengths of hose with use of female connectors.

Features 2 universal male connectors & 2 rubber 'o' rings.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

100 pcs per inner carton, 1000 pcs per outer carton.

42,000 pcs per pallet.

HFK8: Bulk Quick Fix Double Male Connector

WATERING: CARDED & BRASS

All carded & brass items are
compatible with other leading brands.

HC400: Carded Quick Fix Multi Purpose Tap Connector

Designed to attach a hose via a quick fix connector to a variety of round, square & mixer taps up to approx.

38(w)/40mm(h).

Produced from ABS Plastic making these robust & withstand extreme weather conditions.

20 pcs per inner carton, 100 pcs per outer carton.

1,600 pcs per pallet.

HCGC0540C: Carded Quick Fix Hose To Tap

Designed to connect to a round tap without thread.

Features jubilee clip, universal male connector & rubber 'o' ring.

Produced from ABS Plastic & steel making these robust & withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

4,000 pcs per pallet.

Designed to connect a 13mm (1/2") diameter hose directly to a round tap without thread.

Features castle grip hose clamp & jubilee clip.

Produced from ABS Plastic & steel making this fitting robust & withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

4,000 pcs per pallet.

HCGC0537C: Carded Standard Hose To Tap

HCK10C: Carded Female 3/4" Threaded 4-Way Tap Adaptor

Designed for 4 hoses to connect to 1 tap.

Fitted with 4 valves to control the flow of water through each pipe.

Made from ABS Plastic making them robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

6 pcs per inner carton, 24 pcs per outer carton.

960 pcs per pallet.

Designed to water your garden.

Features an adjustable nozzle, universal male connector & rubber 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

20 pcs per inner carton, 200 pcs per outer carton.

4,000 pcs per pallet.

HCK11C: Carded Quick Fix Adjustable Nozzle

HCK1412C: Carded 1/2" - 3/4" Threaded Tap Adaptor & Reducer

Designed to fit 2 sizes of threaded tap.

Features 2 threaded adaptors, universal male connector, rubber washers & 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

Compatible with other leading brands.

20 pcs per inner carton, 200 pcs per outer carton.

6,000 pcs per pallet.

Designed with an internal valve to stop water flow when an accessory is disconnected, saving you an extra trip back to the tap.

Produced from PP & ABS Plastic making these robust & able to withstand extreme weather conditions.

Compatible with Ø 13mm - 1/2" hose.

20 pcs per inner carton, 200 pcs per outer carton.

4,000 pcs per pallet.

HCK312C: Carded Quick Fix Female Water Stop Connector

HCK412C: Carded Female Quick Fix Connector

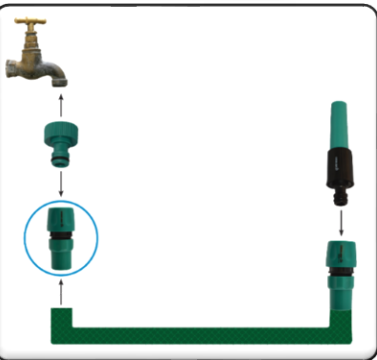

Designed to connect a 13mm (1/2") diameter hose to a male tap adaptor.

Features hose guard, castle grip hose clamp & 3 holding clips.

Produced from PP & ABS Plastic making these able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

4,000 pcs per pallet.

Designed to join hosepipes together.

Features castle grip hose clamps.

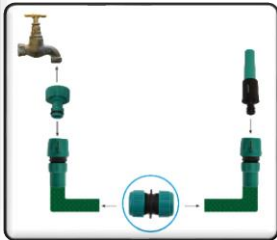

For use with a 13mm (1/2") diameter hose.

Produced from PP & ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

6,000 pcs per pallet.

HCK512C: Carded Standard Hose Repairer / Joiner

HCK634C: Carded 3/4" Threaded Tap Adaptor

Designed to fit a 3/4" threaded tap.

Features universal male connector, rubber washer & 'o' ring.

Produced from ABS Plastic making these fittings robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

6,000 pcs per pallet.

Designed to add on/off switch at any point, without revisiting the tap.

Male adaptors connect via quick fix connectors.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

5,600 pcs per pallet.

HCK6CAC: Carded Quick Fix In-Line Tap Connector

HCK6DC: Carded Quick Fix Dual Tap Connector

Designed for 2 hoses to connect to 1 tap.

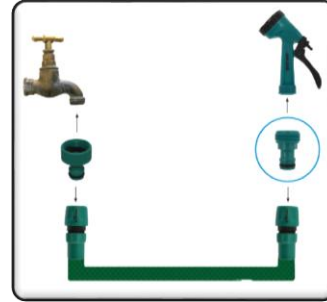

Male adaptors connect via quick fix connectors.

2 valves control water flow through each pipe.

Made from ABS Plastic making them robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 120 pcs per outer carton.

2,400 pcs per pallet.

Designed to convert female ended products into male ended connections.

Features a universal male connector & rubber 'o' ring.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

6,000 pcs per pallet.

HCK7C: Carded Quick Fix Tool Adaptor

HCK8C: Carded Quick Fix Double Male Connector

Designed to connect 2 lengths of hose with use of female connectors.

Features 2 universal male connectors & 2 rubber 'o' rings.

Produced from ABS Plastic making these robust & able to withstand extreme weather conditions.

20 pcs per inner carton, 200 pcs per outer carton.

8,000 pcs per pallet.

HCKB512C: Carded Brass Hose Repairer / Joiner

Designed to join hosepipes together.
Features castle grip hose clamps. For use with a 13mm (1/2") diameter hose.

Produced from brass making these fittings more heavy duty.

Compatible with other leading brands.

20 pcs per inner carton, 120 pcs per outer carton.

6,720 pcs per pallet.

HCKB7C: Carded Brass Quick Fix Tool Connector

Designed to convert female ended products into male ended connections.
Features a universal male connector & rubber 'o' ring.

Produced from brass making these fittings more heavy duty.

20 pcs per inner carton, 120 pcs per outer carton.

6,000 pcs per pallet.

HCKB634C: Carded Brass 3/4" BSP Threaded Tap Adaptor

Designed to fit a 3/4" threaded tap.

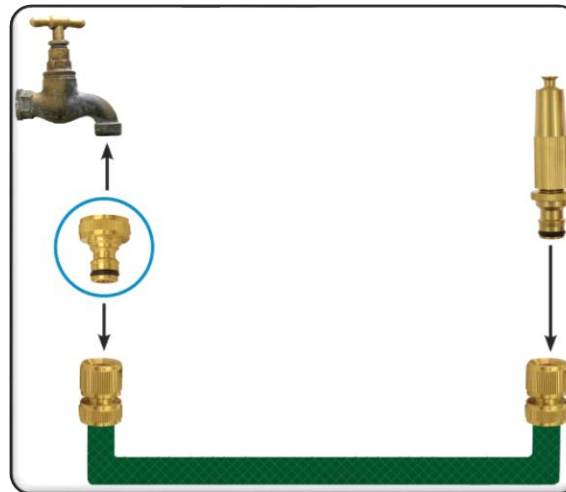

Features universal male connector, rubber washer & 'o' ring.

Produced from brass making these fittings more heavy duty.

Compatible with other leading brands.

20 pcs per inner carton, 120 pcs per outer carton.

6,600 pcs per pallet.
